

MINUTES OF THE GENERAL MEETING OF MADCA INC. HELD AT MAPLETON BOWLS CLUB ON WEDNESDAY 1st MAY 2024

Meeting opening

President’s welcome and recognition of traditional owners. Max Standage welcomed those present and acknowledged the Jinnabarra and Kabi Kabi peoples.

New members approval: No new members to approve.

Members Present: 20 as per attendance register.

Call for Apologies: 4 as per attendance register.

Minutes of previous meeting

Lyndall Hulme moved, seconded Cal Roberts that the minutes of the previous meeting of 3rd April be accepted as a true and accurate record. Carried.

Business arising from minutes: Community planning meeting and strategic action plan report.(amended version attached with minutes)is the first step in progressing the actions identified. Max Standage reported on the process to date. The next step is to convene meetings of the sub committees working on the 6 themes identified at the planning workshop. If people have other ideas they wish to put forward please email them through to madca.inc@gmail.com. Some of the themes overlap with issues such as planning; e.g. retirement options and environment. Max Standage spoke of the process of consideration of ideas at the management committee meeting and then presentation to a General Meeting. The retirement options working group requires a member of the management committee to participate. A decision needs to be made on a suitable meeting venue: TOSH or the Men’s shed and Library were mentioned. Max Standage will report back to people re venues.

Account Balances

Everyday Account 2420 \$17, 979.89

Saver Account 1563 \$50,749.52

Shane Josey moved, seconded Paul Morris that the Treasurer’s Report be received and any accounts listed be passed for payment. Carried . A full report is attached with the minutes.

Correspondence 4 April to present

26/04/2024	Ted O'Brien	Ted's Update	Referred to comm's team

Lyndall Hulme moved, seconded Marissa Bartlett that the inwards correspondence be received and the outwards be endorsed. Carried.

Business arising from correspondence

Registration of constitution changes; the new constitution was registered with The OFT on 19/04/2024. Max Standage advised that the next step to achieve charitable status is to register with the Australian Charities and Not for profit Commission (ACNC). To apply for and achieve Deductible Gift Recipient(DGR)status is a more difficult process The benefits of DGR status means it will enable individuals to make tax deductible donations to MADCA while enabling MADCA access to a wider range of grant opportunities. . Max Standage advised this application is a work in progress.

TOSH tenure options: Max Standage, Shane Josey, Peter Gamgee and Gary Holland COO Range Care and Amie Marriot Range Care met with Kay Bennett and Fiona Rossendell (SCRC Property officers) on 30/ 04/ 2024. Max Standage advised the Lands Act has 5 criteria to determine the appropriate rental. Max Standage is questioning if Council is applying the appropriate criteria from the Lands Act to determine the rent payable. Over time Council calculate that 50% of the profit should be paid as rent. The outcomes from the meeting are: Council will get a valuation of the property; the present arrangement will be extended by 1 year. RangeCare will do further work to determine their position. If RangeCare drops out the contract will be renegotiated with MADCA. If MADCA are the sole tenant we will pay 1 unit @ \$940.00p.a. This negotiation is a work in progress and if necessary MADCA will raise the matter with the Council CEO and Mayor with a request to review the relevant Council policy.

Nomination for SCRC biosphere award: MADCA has nominated the Range Community Gym and Fitness Centre for this award.

Standing agenda items

- **Communications team Report** (attached with minutes)
- **Disaster management Report:** No report provided.
- **Dulong Quarry Report:** No report provided.
- **Grants update;** (attached with minutes)
- **Light the Lights Report:**Max Standage advised a meeting will be convened early May to begin planning.
- **Market Report:** Paula Wright reported at the last market there were 53 stalls; 2 new enquiries; 6 people sick and 4 people away.Max Standage thanked the pool of 22 volunteers who set up, organise and pull down the markets. Max Standage thanked Peter Gamgee who stores the market equipment. Paula Wright will give Shane Josey the names of the stallholders who require public liability insurance cover. A financial snapshot of the market income and expenditure is attached with the minutes.

- **OSCAR Report:** Lindsay Holt reported that OSCAR discussed the following matters; a decision Council made re Twin Waters West just prior to being in care taker mode prior to Council elections; petrol station/ fast food outlet at Mudjimba; monitoring what's being proposed to Council; development of policy about information requests to Council; Olympic Games Authority Amendment Bill which enables executive government over reach.
- **Parking Report:** No report provided.
- **Pump out Report:** No update provided.
- **Streetscape Report:** this work is on hold.
- **TOSH Update:** as per TOSH tenure options in business arising from correspondence.
- **Wuthering Heights of Mapleton Report;** (attached with minutes)

Report from Management Committee meeting

General Business

Next meeting will be held on 5th June 2024 at 6:30pm for a 7.00pm start at the Mapleton Bowls Club.

REPORTS
MADCA Community Workshop Outcomes
21 March 2024

How do we make our community an even better place to live?

Background

In 2021 MADCA conducted a community forum to engage the community in having a say in the future of our community. The results of that workshop set the activities of MADCA and other community organization over the next three years. MADCA’s Management Committee felt a similar workshop in 2024 would be a good opportunity to

- Review the progress made
- Report to the community on progress and road blocks encountered, and
- Set some directions for the next three years.

Participants

Around 35 participants attended the workshop held at the Mapleton State School Assembly Hall and a very wet and inclement Sunday morning. The following community organisations were represented:

- Lion’s Club of Blackall Range North
- Mapleton Rural Fire Brigade
- Mapleton Gym and Fitness Centre
- Mapleton Men’s Shed
- QCCC
- Blackall Range Land Use and Planning Assn (BRLUPA)

Invitations were sent to every community group in the village as well as a broad invitation to the community and MADCA members.

Process

The workshop was facilitated by Bea Rogan who is a member of the Sunshine Coast Coalition of Community Boards. Bea has years of experience in the community development sector and her professionalism is recognized across the State.

The morning’s activity was commenced by reviewing the progress made to date following the workshop in 2021 and introducing the theme for the day of
How do we make our community an even better place to live?

The group then divided into four discussion groups to generate ideas that would promote this theme. Each group generated a set of ideas that were recorded on large sheets of butchers’ paper. These data sets were then organized into themes and using a voting process were prioritized. A summary of the most supported ideas are listed in the table below.

Five red dots
<ul style="list-style-type: none">• Improve public transport – better timetabling , weekend service. On demand service may supplement the current service

- Place for visitors to gather – Great Walk, Mountain Bike gather at Library. We need to create an Information Centre to encourage people to linger more and get to know the area more. Under shelter facilities will encourage more activities in township. Adventure Hub for kids
- Development of Lilyponds – in particular the toilet facilities, ponds and weeds. Suggest look at Woodfordia’s Lake Gkula
- Development applications to be impact assessable for land adjoining rural land and National Parks.
- Build support development of mountain bike / cycling ‘hub’ – like rail trails, grow economy MTB trails, BMX, cycle path to Montville, Cycle events
- Protection of existing productive rural land from inappropriate development eg subdivisions / cabins etc
- Provide local protections by rezoning Dulong quarry to extractive industry impact and assessable development

More than 5 red dots

- Community Centre (10 red dots) – different groups to co-share – conversation actively have events for walkers garden, organized forest walk, Tribal link cultural & educational
- More walkways and bike paths (6 red dots)
- Retirement facilities and opportunities for elderly to stay on the Range (10 red dots)

Recommendations

Six themes were identified and the meeting divided into interest areas to explore the theme to develop an action plan to progress the idea.

Recreation Infrastructure

Membership: Steve, Ben, Denis, Ann M, Heather, Peter G

Suggested strategies

1. Progress walkway / bikeway to Montville. Support Lions Club who are working closely with Council and other bodies.
2. Revisit Ringwood Lane land area that is already zoned for retirement living to provide smaller scale housing that is compatible with the Mapleton built and natural environment.
3. Walks / loops (Wilga/ Wandoo) around town – signage. Connecting out to Linda Garrett and Obi Obi. Town maps with walks, recreation trails. Connect visitors to trails, shops, accommodation. Work with Running Queensland and Council.
4. MTB hub. More trails in Mapleton forest and surrounds need to be marked, designated, mapped, and promoted. Work with QPWS. MTB clubs (Bushrangers), Council, State Govt and other towns (Derby Tas) who have already this in place.
5. Increase playground facilities at Lilyponds Park. Include ½ basketball, cricket nets. Lilyponds Park needs an upgrade including toilets and play equipment
6. Collaborate with Retirement Options Group

The Environment

Membership: Cal, Geoff, John H, Marissa

Suggested strategies

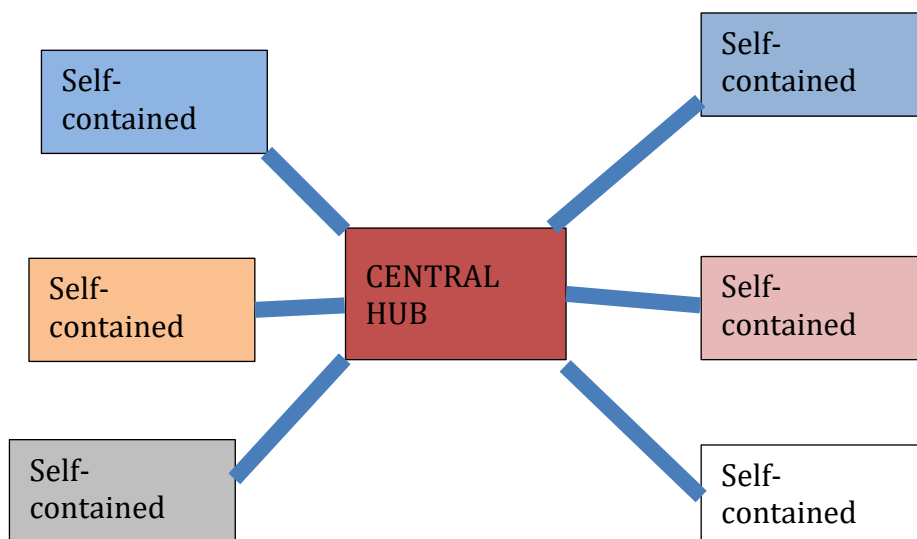

1. Investigate biosphere and dark sky initiatives. How can Mapleton access resources and or participate in programs? (Cal to do initial research)
2. Wild life corridors. Eg Johnson Road – Healthy Places team. Talk to Council re public access. Bird tourism – form a group to develop a proposal to take to Council (Marissa will organize a meeting of four members)
3. Weed control education sessions for weed management – group to plan.=. Advocate to Council to manage weeds on public land.
4. Waste management. Monitor the release of sewerage / waste (no actions planned)

Retirement Options

Membership: Kathie, George K, Gavin B, Geetha W, Peter H

Suggested strategies

1. Smaller dwellings with a central hub.
2. Revisit Ringwood Lane land area as it is already zoned retirement living for smaller scale dwellings. (Collaborate with Infrastructure Group)
3. Encourage the redevelopment of existing older style homes into duplex / triplex / quadplex
4. Look for small scale builder / developer who would be interested in such projects

Transport

Membership: Shane, Martyn B

Suggested strategies

1. Around 1800 in Mapleton and 1800 in Nambour use public transport
2. Survey to determine the demand for public transport
3. There is a need for Weekend bus service, On demand service, and labour transport
4. Where is the demand – Survey the community to determine the demand
5. Around 65 of Sunshine Coast residents use public transport. Places of work are off main corridors.

Community Facilities

Membership: Chris W, Geetha W, Catherine S, Audrey M, Barry P

Suggested strategies

1. Need to work collaboratively with Recreation Infrastructure Group as many suggestions are duplicated

2. Replacement of drop toilets at Lilyponds Park as part of a revamp of park (perhaps include a naturally filtered swimming pool)
3. Upgrade the toilets at RSL park in the light of the establishment of Mapleton Country Markets
4. Establishment of an 'actual' community centre where locals can get together – singing, dance, music
5. Establish a rainforest walk on land opposite TOSH (This is part of the school property)
6. Present owners of the Pub would like the pub to be used as a 'public space'
7. Need to link with The Festival of Small Halls
8. First step is to work together
9. MADCA to work with new Mayor and Division 10 Councillor to establish any new facilities

Planning

Membership: Lindsay, Anne V, Audrey V, Wendy, Di

Suggested strategies

1. MADCA representation at State and Regional forums – there is a need to feed into these forums.
2. Networking between Mapleton Montville, Maleny, Dulong, Kureelipa, Landsborough, Flaxton Peachester over planning matters
3. BRLUPA becomes the coordinator for submissions etc.
4. The need to cooperate with OSCAR
5. Need to engage and develop understanding in the community about codes and Planning issues.
6. Bus trip / tag along to sites of planning challenges
7. Representation from other working groups

Conclusion

This short report outlines the major priorities the community would like actioned over the next three years. Working groups have been established to commence this process and additional volunteers are encouraged to participate in the development of our future

MADCA Campaigns and Projects

Campaigns:

- Parking Survey Questionnaire

Promotional and Informational Material:

The caps have been printed, along with 2 aprons for the waffle stall in a contrasting colour so should look smart. The invoice passed to MADCA is the only invoice and lists 10 caps when 20 were produced. Wendy chased this up and ascertained that it is the final and only invoice.

IM&T

Server and website maintenance:

The Community website was unavailable for about 10 minutes Monday morning for routine maintenance and to update security software. Apologies for any inconvenience.

The revamped website proposal has been demonstrated to Max and is now being updated so that it has current content. It will be available to the management committee shortly, for comment and/or sign off. Depending on how busy the Comms team are, somewhere within the next 2 weeks.

Social Media Engagement:

Facebook page: Most read story was the story about the Hinterland Bowlers Celebrate Successful Season, a day organised by Flaxton local Andrew Friday.

Our posts reached over 3400 people and 437 people engaged with our posts.

Email Newsletter (Community Connect):

Contributions for the Community Connect are most welcome, thank you to those who have sent stories and updates for sharing in this sought-after publication. Word-of-mouth informs us that people are increasingly looking forward to this monthly publication as a source of news and events.

Community Engagement:

Parking Survey Questionnaire

- The parking survey closed.
- A total of 35 surveys were completed, a further 8 were submitted incomplete.
- The survey closed on Tuesday evening.

Metal stands (2), and four paintable corflutes to fit each side, have been donated to MADCA. These were given to the Comms Team for MADCA, from Wayne Parcell, Director of the Rangebow Festival.

Wuthering Heights of Mapleton – Red Dress Day July 28th

The Wuthering Heights of Mapleton (WHOM) will be distributing posters around the Sunshine Coast from next week, please feel free to book the day into your calendars. The 2023 event was a fabulous day for the community to meet and have fun together while supporting victims of domestic violence through DV SafePhone. This year we are supporting Speak Up Now – Stop Domestic and Family Violence. 'Speak Up Now' is a collaboration of Quota, Zonta, Rotary clubs in Maleny and the Blackall Range and Maleny Neighbourhood Centre. Speak Up Now's success lies in collaboration, they partner with local organisations, law enforcement, and government agencies to offer comprehensive support across Primary School through to Seniors.

The Blackall Range Lions Club are donating their time and talents (although not actually ON the stage) to set up the event and to cater for dance-energy hunger.

Yes, our opera singer, Michelle Bull, will be entertaining us again, pied piper-like drawing in people from the neighbourhood, and Michele G, of band Girl Friday, will be our able MC. Karen, from Cultivate Movement and Mindfulness <https://www.cultivatemovementandmindfulness.com/team> will again be our “Dance Guru”.

We would be delighted to hear from businesses interested in sponsoring the day and/or donations for the raffle or auction.

We would also be grateful for help with placing our banner, sponsored by Division 10 Cr. David Law, next to the Mapleton Country Market banner, in time for the May market.

What was it all about in 2023? Find us on Facebook or watch the video!

https://wutheringheightsofmapleton.au/support_2024.html

Grants update

MADCA has been invited to participate in the two step process to obtain a community partnership grant with Council. The first stage is an expression of interest and has been commenced. It is due for submission by 13 May 2024. If we get through this stage we will be invited to write a more comprehensive application for funding. The main aim of this grant is to support organisations that lease Council owned facilities cover operating costs - rates, water / liquid waste costs, insurances and grounds maintenance to name a few of the recurrent costs permitted. We have asked for \$5K per year for a period of three years. This will take us to 2027.

We currently receive \$3K per year under this program. This funding ceases on 30 June 2024.

Wendy is keen to obtain a grant to purchase a public address system for the Wuthering Heights (Red Dress Day) of Mapleton event. The cost of this recommended system is \$2,400. The next round of Council Grants that might be used for this request will be after the new financial year. I have not been successful in locating other sources of funding for this project. Should members of the Committee find a funding source please let me know and I will try to make an application.

Peter Hulme
Grants Officer

Wuthering Heights of Mapleton Red Dress Day - Report for MADCA May 1st General Meeting

Wuthering Heights of Mapleton – Red Dress Day July 28th

The Wuthering Heights of Mapleton (WHOM) will be distributing posters around the Sunshine Coast from next week, please feel free to book the day into your calendars. The 2023 event was a fabulous day for the community to meet and have fun together while supporting victims of domestic violence through DV SafePhone. This year we are supporting Speak Up Now – Stop Domestic and Family Violence. 'Speak Up Now' is a collaboration of Quota, Zonta, Rotary clubs in Maleny and the Blackall Range and Maleny Neighbourhood Centre. Speak Up Now's success lies in collaboration, they partner with local organisations, law enforcement, and government agencies to offer comprehensive support across Primary School through to Seniors.

The Blackall Range Lions Club are donating their time and talents (although not actually ON the stage) to set up the event, manage parking and to cater for dance-energy hungerpangs.

Yes, our opera singer, Michelle Bull, will be entertaining us again, pied piper-like drawing in people from the neighbourhood, and Michele G, of band Girl Friday, will be our able MC. Karen, from Cultivate Movement and Mindfulness <https://www.cultivatemovementandmindfulness.com/team> will again be our “Dance Guru”.

We would be delighted to hear from businesses interested in sponsoring the day and/or donations for the raffle or auction. Thank you to those who have already indicated they are with us this year.

We would also be grateful for help with placing our banner, sponsored by Division 10 Cr. David Law, next to the Mapleton Country Market banner, in time for the May market.

What was it all about in 2023? Find us on Facebook or watch the video!
